FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge myself before God
and in the presence of this assembly,

To pass my life in purity
and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous,
and will not take or knowingly administer any harmful drug.

I will do all in my power to maintain
and elevate the standard of my profession,
and will hold in confidence
all personal matters committed to my keeping,

and all family affairs coming to my knowledge,
in the practice of my calling.

With loyalty will I endeavor
to aid the physician in his work,

and devote myself to the welfare of
those committed to my care.

Founder Members

The founder, Dr. Ram Niwas Gupta, emphasizes the institute's dedication to delivering world-class healthcare services and medical education. He highlights the expansion into super specialties like Cardiology, Cardiothoracic Surgery, Oncology, and Nephrology, aiming to provide unparalleled standards of medical and educational service outcomes.

Dr. Ram Niwas Gupta

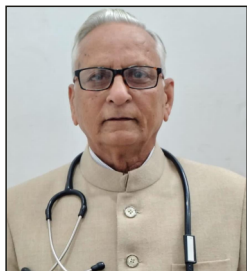

Mr. Nand Kishor Gupta
(Advocate)

Shri Natthi Singh, the founder, discusses the increasing healthcare demands in India and the need for qualified professionals. He shares his vision of providing quality education with intensive clinical training in various hospitals, aiming to equip students with hands-on experience and skills in patient care.

In today's dynamic healthcare landscape, we recognize the challenges facing medical science in India. Our commitment to overcoming these challenges is unwavering. We strive for quality healthcare that is accessible to everyone, evidence-based medicine that reflects our own data, and integrated services reaching even the most remote areas and populations.

Mr. Natthi Singh

Dr. Kailash Chandra Gupta

Dr. Kailash Chandra Gupta, founder member, a prominent doctor of Sahswan, expresses the institution's commitment to nurturing excellence in patient care and medical education. He references the quote by Rudolf Virchow, "Medical education does not exist to provide the student with a way of making a living, but to ensure the health of the community," reflecting the college's dedication to community health.

Welcomes all aspiring medical professionals who are looking to pursue a career in paramedicine. Our experienced professors and top-notch facilities provide you with the perfect foundation for your training, while our advanced laboratories offer you the opportunity to test your skills. We look forward to guiding you through this exciting journey!

Dr. Aditya Gupta

Director

Our goal is to provide paramedics with a sound educational program so that they are able to serve the interests of institutions and patients in an efficient and effective manner. We understand that society's needs constantly change, which is why we will emphasize extra education beyond what is mandated by our syllabus specifically for making them ready for industry.

Dr. Abhinav Gupta

Administrative Manager

THE VISION

We envision DR. R.N. Gupta Institute and Research Centre as a leader in global human development, setting benchmarks in education and the all-round growth of our students. Our commitment is to excellence — aiming for a 100% success rate across all programs. Recognized by accrediting bodies, we combine academic theory with practical expertise to prepare students for a thriving medical career.

THE MISSION

We are dedicated to shaping compassionate, skilled professionals equipped to meet the healthcare challenges of today and tomorrow. Our curriculum nurtures a strong sense of responsibility, service, and ethical care. Students graduate with deep knowledge in patient care, infection control, disaster response, and health promotion. Through immersive clinical training and personalized support, we ensure every student is ready to contribute meaningfully in hospitals, clinics, and communities.
